

CONTRACT FOR CARE OF BOLTON BAND UNIFORMS

Parents, please go over this form with your band student, sign and **return to Uniform Coordinator**. Contact will be kept "on file" for all four years of band. Thank you.

1. Never get out or put up a uniform without the consent of the Uniform Coordinator or Mr. Chipman.
2. When uniform is not worn, it should be hung up as follows: Pants properly creased and hanging over a suit hangar. The coat should hang smoothly over the pants and be zipped.
3. When we are travelling and the uniform is not being worn, it should hang in a separate garment bag provided by the band. Please store shoes in a separate box or bag.
4. Hats are to be kept in their proper boxes when not in use.
5. Personal hygiene is a must to keep the uniform clean. Uniforms will be dry cleaned by the Band Boosters after the Marching and Spring Concert seasons.
6. Cost of the uniform: Coat: \$180, Pants: \$95, Hat & Box: \$75 = \$350!!
Student will purchase marching shoes and gloves from Mr. Chipman.
7. Any damage to the uniform other than normal "wear and tear" or loss of any of the pieces will be your responsibility to replace.
8. Wear "thin clothes" underneath - band t-shirt and nylon shorts give the best appearance. (Jeans are too hot, too bulky and too long.)
9. Checklist for performance: "clean" Marching Shoes, Black Gloves, Black Socks, Band T-Shirt, Music, Instrument, Lyre (Concert Season: Marching Shoes, Black Socks).

Students, remember that when you perform, you represent Bolton High School, your band mates, your families, and yourselves.

We look forward to another successful marching season! Thanks for your help.
